

## CALL FOR ABSTRACTS AND PROPOSALS

Submit Abstract by 1<sup>st</sup> February 2017

This international Conference will bring together futures researchers, policy-makers, peace and development practitioners, environmental advocates and students committed to the long-term, positive futures of *HUMANKIND 2050* and beyond. The Conference Program includes keynotes, plenary and creative parallel sessions, discussions, and open networking space.

We invite participation from all those interested in presenting their research or sharing creative ideas about the crucial role of peace, development and environmental innovations in transforming humanity's shared futures. All abstracts and workshop or poster proposals will be peer-reviewed and you will be notified of acceptance on 1<sup>st</sup> March 2017.

**Please submit your abstract/proposal (max. 250 words) by 1<sup>st</sup> of February 2017 to the Scientific Committee Co-Chair Dr. Erik F. Øverland, who will organise the review process: <erik.overland@erikoverland.com>**
